

PROPOSAL FOR SPONSORSHIP

November 10-12

Join fellow mappers for a virtual tour crisscrossing the USA

In partnership with
WikiConference North America

MAPPING USA
OPENSTREETMAP US

Mapping USA is a free virtual event hosted by OpenStreetMap US celebrating OpenStreetMap through rich discussions and collaborative learning about open geographic data.

Learn more at openstreetmap.us

WikiConference North America is the annual conference of Wikimedia enthusiasts and volunteers from throughout North America, including Canada, the United States, Mexico, & the Caribbean.

Learn more at wikiconference.org

OpenStreetMap US connects, educates, and collaborates with a network of volunteers, professionals, and businesses who incorporate OpenStreetMap data in their research or products.
